AcademiX School of Learning

Associates Degree Requirements

Introduction

Subjects for **CAPE®** are arranged as 1-Unit or 2-Unit courses. Each Unit consists of three Modules and requires approximately 150 hours of work. The 150 hours required for the completion of each Unit is equivalent to 10 credits. The cluster of ten Units is, therefore, equivalent to 100 credits.

The grades awarded by CXC® can be equated to Grade Points as shown in the table below.

GRADE	POINTS
I	4.0
II	3.5
III	3.0
IV	2.5
V	2.0

Courses that make up the **CXC®** Associate Degree are separated into three bands as shown below:

General Education Courses (compulsory) 30 credits

- Communication Studies
- Caribbean Studies
- Integrated Mathematics

Core Courses (based on specialization) 40 credits

At least four CAPE® Units relevant to their area of specialisation.

Electives 10 credits

A single Unit and can be chosen from any other **CAPE®** subjects not included in the General Education Requirements or Core Courses.

Associate of Science

Sport Studies

About Sport Studies

Sports Studies is an individual's awareness and understanding of the elements and dimensions of movement and the enhancement of fundamental motor skills and the development of complex skills learnt through a structured programme. The Associate of Science –Sports Studies prepares candidates to enter various fields of sports after completing a minimum of two years of study. It provides the opportunity for candidates to pursue further study to enable careers in areas such as sports therapy, biometrics, fitness management, sports coaching and training, sports administration, sports development, sports therapy, exercise physiology, medicine, athletic training, lifestyle management, kinesiology, genetic engineering, sports medicine, super baby design, engineering and advocacy and nutrition science.
